November 13, 2003**

R E S O L U T I O N

Resolution T-16777. Voluntary Revocation of 24 Certificates of Public Convenience and Necessity of Telecommunications Carriers.

Summary

This resolution revokes, at the request of the companies, the wireless carrier (CER), Non-Dominant Interexchange Carrier (IEC/IER) and Competitive Local Carrier (CLC/CLR) Certificates of Public Convenience and Necessity (CPCNs) held by the companies listed in the Discussion Section.

Background

The companies listed in the Discussion section below were certificated by the Commission in the specified markets. All required tariffs were filed.

Each company has stated in a letter or advice letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

Discussion

The companies that would be revoked by this resolution are the following:

	<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	CER	4048	The Phone Company Franchising Corp.
2.	IEC	5329	National Accounts, Inc.
3.	IEC	5370	Premiere Communications, Inc.
4.	IEC	5409	LecNet, Inc.
5.	IEC	5442	Q.H. Communications, Inc.
6.	IEC	5565	QCC, Inc.
7.	IEC	5616	Trescom USA, Inc.
8.	IEC	5632	North American Communications Control
9.	IEC	5687	America's Tele-Network Corp.

10.	CLR	5958	North American Telecommunications
11.	IEC	5969	Unity Communications, Inc.
12.	IEC	5989	Nextel Long Distance
13.	IER	6092	California Network Management
14.	IER	6123	Promise-Net International
15.	IER	6215	Corporate Billing Management
16.	IEC	6272	XO Long Distance Services, Inc.
17.	CLC/IEC	6299 (U# Only)	SureWest Broadband
18.	CLC/IEC	6302 (U# Only)	Intermedia Communications, Inc.
19.	CLR/IER	6367	TeleCents Communications, Inc.
20.	IER	6460	Lockheed Martin Global Telecommunications Services, Inc.
21.	IEC	6609	Q Link Communications, Inc.
22.	IER	6613	Trex Communications, Inc.
23.	IEC	6646	Prime Voice
24.	IEC	6655	Frontier Communications of America, Inc.

Each of the above companies has sent either a letter or an advice letter to the Commission requesting revocation. There is no reason to deny this request since these companies report that they have no customers and there are about 300 wireless, 1,000 long distance, and 300 competitive local carriers authorized to do business in these markets.

The Telecommunications Division (TD) recommends that these requests for revocation be granted and that the companies' Utility Identification Numbers be cancelled. TD has not yet determined that the companies have paid all surcharges owed; surcharges may be sought later from any delinquent companies.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

Findings

1. The companies on the above list were certificated by the Commission in the indicated markets.
2. The companies requested by letter or advice letter that their CPCNs be revoked.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled in cases where they hold no other CPCNs.

4. If any surcharges are later found to be owed, the Legal Division, at its discretion, may seek those amounts from delinquent companies.

THEREFORE, IT IS ORDERED that:

1. The Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	CER	4048	The Phone Company Franchising Corp.

5.	IEC	5442	Q.H. Communications, Inc.
6.	IEC	5565	QCC, Inc.
7.	IEC	5616	Trescom USA, Inc.
8.	IEC	5632	North American Communications Control

15.	IER	6215	Corporate Billing Management
16.	IEC	6272	XO Long Distance Services, Inc.
17.	CLC/IEC	6299 (U# Only)	SureWest Broadband

2. The companies' Utility Identification Numbers are canceled (in the cases where they hold no other CPCNs) and will not be reissued.
3. At its discretion, the Legal Division may pursue any surcharge amounts still owed by any of the companies listed above.
